

## The Annual Data Science 2024 Celebration - Alexandria, VA

hosted by the HBCU Data Science Consortium

April 19 - April 20, 2024

<http://hbcu-dsc.org/>

### CALL FOR PRESENTATION / POSTERS

Technical posters showing/presenting innovative and original research are solicited. In general, the HBCU Data Science Consortium is interested in posters of data science that validate important research issues or showcase realistic applications that impact the HBCU community and community partners in the following topics of interest (but not limited to):

- Diversity/Inclusion
- Data Science / Artificial Intelligence / Machine Learning
- Education/K-12 or Higher Education
- Deep Learning
- Applications in Industry – Finance, Healthcare, Retail, Life Science, Transportation, and more.

**If you are interested in presenting a poster featuring your data science-related research during the in-person poster session, please submit your proposal following the submission guidelines below:**

### POSTER SUBMISSION INSTRUCTIONS

Submissions should be a one-page abstract with a title, description, institution, and list of people involved with your poster in PDF file format to [info.hbcudsc@gmail.com](mailto:info.hbcudsc@gmail.com) by **11:59 PM (EST) on Friday, March 22, 2024**. Be specific in describing what you will demonstrate or display on a poster.

### DEADLINE DATES

Your submission will be reviewed within 3-5 days after submission, and you will receive an email notification stating your poster approval. Accepted proposals require in-person poster presentations during the 2024 HBCU-DSC Celebration.
